Minutes

1. Reports

Reports to be tabled before Tuesday 4th May Financial- see attachment - Accepted - Masters Games - see attachment - Accepted - dw, LA Coaching - see attachment - Accepted

Trying something different again. Once you have read the report and are happy with it, can you please initial after accepted. That way I can keep track of whether there are enough votes to pass the reports even if we don't have a quorum present. I have attached the latest Master's Games report as a trial and hope the others are forthcoming soon. If there is no report attached then that is what is recorded at the meeting.

3. Masters Games entries

We have our first 2 competitors entered so now I have to work out what to do next. Not sure if anyone can get to the entries or only the sports co-ordinator. I will talk to Cal about it next time I see him.

4. Special Request

As part of their Year 12 program I would like to invite the students to come and play on a Wednesday night at 7:00pm against some of our better players to give them more experience. They could then stay on for social if they wanted to. There are 9 of them but we could split them into girls and boys so they played continuously for the half hour. It wouldn't be every week just towards the end of the term. I would also like to charge them just \$5 court fees without membership if that is okay with everyone. Accept - dw, LA

5. First Aid Box

Volunteer (or Lyn) to replace missing items in the first aid box (see list from last meeting) using club debit card to see if it works. Agree - dw, LA Disagree -

6. Club Calendar

As we are getting closer to the busy part of the year we need to set dates for upcoming events and let members know so they can organise rosters, child care, spouse approval, etc,etc,etc that goes with these things. I would like to get the idea of a coaching weekend on 4th & 5th June out to members in a newsletter and have a sign on sheet. My priority would be the juniors and beginners and then the experienced players. It is also important to give Frank and Cal a chance to organise the weekend off so they can do more of their coaching course. I think \$10 per person per session is a fair charge. Open to other suggestions. If we don't have participants then there is no point in Darwin coming down.

7. Club Championships

Last year the feedback was that singles, doubles and mixed on the same day was too much. This year, should we have a singles championship separate to the doubles and mixed? I suggest Sunday 19th June for the singles championships and July 31st for the doubles and mixed. We could run the singles comp during the week but the doubles and mixed needs to be on a Sunday to have enough time to complete it.

single should be separate. Dow.

8. Tuesday Night Badminton

Josh has asked for some help organizing Tuesday night badminton as he also wants to be able to play. He is happy to do the organisation at the start of the night but needs 3 or 4 other people to run the night with him. That way everyone would only miss out on playing 1 night per month instead of every week as is happening at the moment. Cal has offered to help and we can put it in the newsletter for members to help as well as committee members especially if you are on hall duty for that week.

9. To Do List
